## RELEVANT PROFESSIONAL EXPERIENCE

**CodeNation, Remote UK**— *Junior Developer*

FEBRUARY 2022 - JUNE 2022

Full-time Junior Developer with CodeNation during the 3-week develop coding course, and 12-weeks during the Master's coding course. I have developed strong collaborative skills using slack, discord, zoom and GitHub to work on group projects. I developed the skills required by a full stack web developer using the MERN stack. I used my new knowledge to extend my skills to new libraries/frameworks not taught during the course.
